## **Change notice: Change in appearance of AC Servo Motor MINAS A5, A6 Series**

Dear Valued Customers,

As per title, we would like to inform you about the change in our product appearance as described below.

We hope to your understanding and cooperation with this matter.

Also we look forward to continuing serving you as a valued customer.

With Best Regards,

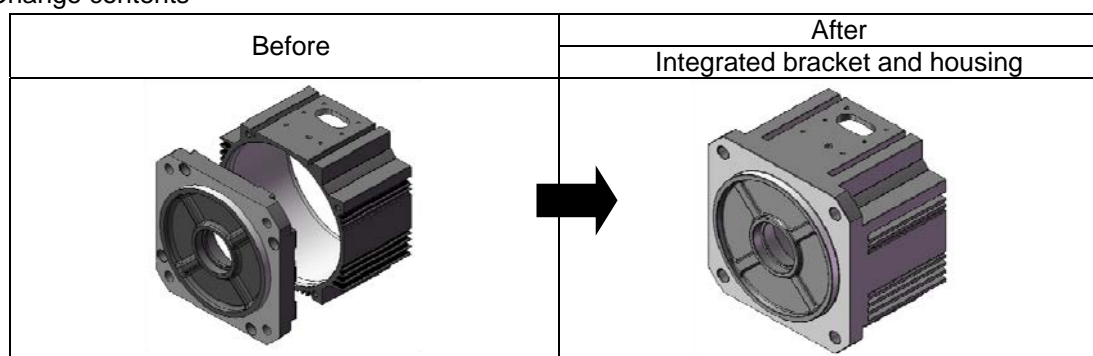

### ■Target models : MINAS A5 and A6 Series AC Servo Motors

Motor Series	Output (kW)	Part No.
A6	1.0	MSMF102*1**M
	1.5	MSMF152*1**M
	2.0	MSMF202*1**M
A5	1.0	MSME102*C*M
	1.5	MSME152*C*M
	2.0	MSME202*C*M
	2.0	MDME202*C*M

「\*」 is a symbol based on the our product numbering system, representing encoder, motor options, etc.

### ■Reason of change: to improve the productivity

### ■Change contents

- Schedule of the change:  
The products will be changed sequentially from May 2020 onwards.  
As for MDME202\*C\*M: the products have been changed since November 2019.
- This change will not affect the performance, reliability and external dimensions of the product.  
In addition, the product model does not change.
- The target models are using CHINESE magnets, so DO NOT let these models be imported to JAPAN.
