Revision Notice:
Instruction Manual of MGSD type Speed Controller
for AC Compact Geared Motors

Dear Valued Customers,

As per title, we will revise each booklet in Japanese, English, Chinese, and Safety Instruction (8 countries) included in the product of MGSD type Speed Controller for AC Compact Geared Motors.

We would greatly appreciate your understanding and cooperation in this matter.

With Best Regards,

■ Affected models: MGSD type Speed Controller

Model No: MGSDA1, MGSDDB1, MGSDDB2

■ Schedule of the Change:

From September 2020 production onwards

■ Reason and description of the Change:

- 1) Adding QR code for production management: Safety section
- 2) Deleted the page of discontinued parts (recommended parts): Japanese, English and Chinese
Recommended parts are "mounting frame for embedding", "8P cap", "small timer protection cover" and "rear terminal block".
- 3) Due to revision of international standards, updated applicable texts regarding the standards:
Japanese, English and Chinese
CE marking applicable standards updated from "EN50178" to "EN61800-5-1".
- 4) Added description of production site address: Chinese

■ Other:

There will be no changes to the size of the booklet.
