Industrial Device Business Division,  
Industrial Solutions Company  
Panasonic Corporation

**Manufacturing Location change Notice:**  
**MINAS A6 Series AC Servo Drivers**

Thank you for your daily support and efforts to our business.  
We would like to inform you about manufacturing location change (addition) for some products of MINAS A6 Series AC Servo Drivers that are sold to Japanese customers which are currently manufactured in Zhuhai Factory (Guangdong Province) in China. From September 2020 they will be manufactured at our Tatsuno Factory (Hyogo Prefecture) in Japan.

We would appreciate your understanding and cooperation with this matter.

With Best Regards,

■Affected Models:

MINAS A6 Series AC Servo Drivers (A-frame, B-frame)

\* Standard products for Japanese customers

■Reason of the Change:

To reduce production lead times and strengthen production capabilities

■Production start time:

September, 2020

\*Part numbers: MADLT05SF, MADLT15SF and further model expansion is expected

■Description of the Change:

Production site (address)
