AC Servo Driver MINAS A6 Series
Notice of packing size change

Thank you for your daily support and efforts to our business.

In regard to the titled matter, we will change the packing size of MINAS A6-Series AC Servo Driver products. We would appreciate your understanding and cooperation with this matter.

■ Affected Models:

AC Servo Drivers of MINAS A6 Series, A-frame and B-frame
(Part number)

M A D L * * * * *

- └ All models with "L" as the 4th character of part number
- └ All models with "A" or "B" as the 2nd character of part number

■ Schedule of the Change: from June 2021 production onwards.

■ Reason for the change: Standardization

■ Description of the Change:

Unit: mm

	Before Change	After Change
AC Servo Driver packing	<p>113 211 233</p>	<p>109 180 217</p>

■ Others:

There will be no impact on servo driver's product performance, characteristics, quality and dimensions due to this change.

For sequential change reasons, products with different packing sizes might be delivered at the same time.

END
